## OPEN-END ARCHITECTURAL AND ENGINEERING SERVICES

### ADDENDUM NO. 2

#### REQUEST FOR PROPOSAL NO. 17-027

October 6, 2016

Ladies and Gentlemen:

The purpose of this addendum is to provide clarification (s) to all prospective offerors.

**QUESTION NO. 1:** Does the electronic copy need to accompany the original (by attaching a CD or flash drive) or can it be provided by stating in the cover letter the URL which would access the electronic copy in .PDF form from an online portal?

**ANSWER NO. 1:** We are requesting an original copy and an electronic copy via CD or flash drive only.

**QUESTION NO. 2:** Does the electronic copy need to include the cost proposal also, or only the technical proposal.

**ANSWER NO. 2:** No, Price Proposals shall be in paper form only in a separate sealed envelope.

**QUESTION NO. 3:** Does the electronic copy need to include the required affidavits and if so should they be included with the technical proposal as one .PDF.

**ANSWER NO. 3:** Correct, they shall be a part of the technical proposal, one PDF is fine.

**QUESTION NO. 4:** For the Structural Engineering contracts, what are the current contracted hourly rates for each category/staff requested?

**ANSWER NO. 4:** See attached sheets. Hourly rates submitted for all of the current Open-End Architectural and Engineering contracts are attached for your information. These were submitted in March of 2013. Some of the categories may not have been awarded since award in one category does not guarantee award in all submitted categories.

**QUESTION NO. 6:** Can the due date be extended?
